Wayne Miller
Mayor

June 9, 2008

Dear Resident;

On Saturday, May 31, 2008 the Summer Village of Rochon Sands convened a Public Consultation Meeting to provide information and to receive input from area residents on the current annexation application to annex land from the County of Stettler.

Enclosed is an information package including:

- The presentation by our planning consultant, Brian Austrom, outlining points relevant to the annexation application i.e. history, process, justification and reasons.
- Map of the annexation area.
- Survey form to be completed by area residents.
- Form provided for submissions and or concerns

I would appreciate you taking time to review the package and complete the survey questionnaire. Village Council will be evaluating the feedback to include with our application to the Municipal Government Board (MGB). Support for the application is a major component in the over-all application process.

To further assist you and to address any of your questions you can drop by the Village Office in the community hall, Mondays, Wednesdays and Fridays 9:00 am to 12:00 noon or by calling Alan Willis CAO at 742-4717.

We would like to receive all feedback by July 10th. At that time we will working to complete our Report of Negotiations for submission to the MGB and request that our application move forward to the next stage of the process.

Moving forward with our application to annex the lands bordering our Village is paramount to sustaining a healthy and vibrant lake side community into the future.

At the public consultation meeting, there were questions regarding the status of the County's costs application. At that time, no decision had been issued. The Summer Village of Rochon Sands received a decision on June 4, 2008. We are pleased to say that the decision completely rejects any allegations that Summer Village of Rochon Sands delayed the 2003 annexation process or in anyway abused the MGB's process. The County's application for costs was dismissed in its entirety. If you would like a copy of the decision it is available at the Village Office.

Thank you for your continued support.

Sincerely yours

Wayne Miller – Mayor
