(as further described in Application No. 2022-002 has been

APPROVED with the following conditions:

- Plan set back requirements adhere to Land Use Bylaw #244-19 and must be adhered to and referenced for further clarification.
- Maintain all landscaping and drainage within the development property, so as not to affect adjacent properties.
- Safety Codes permits must be obtained prior to construction. Building permits can be obtained through IJD Inspections Ltd with a copy of the Municipal Development Permit.
- The developer is responsible for making suitable arrangements with the utility companies for provision of services and/or necessary easements.
- Any excavation must not affect adjoining properties and cause minimal environmental disruption; and
- All construction products and debris must be maintained within the development area and all construction waste is to be hauled directly to the Stettler Regional Landfill.

You are hereby authorized to proceed with the development specified, provided: that any stated conditions are complied with; that development is in accordance with any approved plans and applications, and that other permits are obtained.

**OTHER PERMITS ARE REQUIRED**

In the interest of public safety and as required by the Safety Codes Act construction projects must be covered by the appropriate permits prior to commencement of construction (Building, Electrical, Gas, Plumbing and Private Sewer).  
For information regarding how to obtain the required permits, contact IJD Inspections Ltd. at 1-877-617-8776

Should an appeal be made against the decision to the Subdivision and Development Appeal Board, the Development Permit shall cease to be effective.

Date of Decision: May 5, 2022

Date of Issue of Development Permit: May 5, 2022

Signature of Development Officer

Note:

1. The issuance of a Development Permit in accordance with the Notice of Decision is subject to the condition that does not become effective until 21 days after the Development Permit is issued.
2. The Land Use Bylaw provides that any person claiming to be affected by a decision of the Development Officer may appeal to the Subdivision and Development Board by serving written notice of appeal to the Secretary of the Subdivision and Development Appeal Board within 21 days after the date the Development Permit is issued.
3. Any development proceeded with by the Applicant prior to the expiry of the 21-day period is done solely at the risk of the Applicant.
4. This Permit is effective for a period of six (6) months. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, as determined by the Development Officer, this Permit ceases to be effective, unless an extension to this period, being no longer than an additional 12 months, has previously been granted by the Development Officer.
5. Compliance with the requirements of the Land Use Bylaw does not exempt any person from the requirements of any Federal, Provincial, or Municipal legislation or complying with any easement, covenant, agreement, or contract affecting the development.
